Subject: Request for Updated Entity Status, Gold Star Stone Inc., Sierra Starlight Quarry,  
S003049, Box Elder County, Utah

Dear Mr. Peterson:

The Division has received documentation and is ready to approve the transfer of Sierra Starlight Quarry from Sierra Stone Inc. to Gold Star Stone Inc. However, Gold Star Stone Inc. is listed as an expired entity with the State of Utah Department of Commerce.

Please provide the Division a documentation update demonstrating there has been a submittal activating the entity. To ensure the correct company is referenced within the Division, the entity number 6112480-0143, should be referenced when updating Gold Star Stone Inc. with the Department of Commerce.

The Division cannot approve the transfer of this mine until this important matter is addressed. Please ensure these required actions gain your prompt attention so this permit is in compliance with state regulatory requirements.

Please contact Minerals Surety Coordinator, Jed Pearson, (801) 538-5382 immediately with the requested information.

Sincerely,

Susan M. White
